SA AM-MP      South African Women's Amateur Match Play Championship

#### **Notes on Rankings:**

- Eligibility:** Women golfers affiliated to WGSA who participate in a countrying event who are 30 years of age on or before the commencement date of the first round.
- Duration:** This is a rolling ranking (exactly like the Women's Open ranking) stretching over a twelve-month period, ie. the ranking points received for the 2017 SA Mid-Amateur Championship will fall away when ranking points are allocated for the 2018 SA Women's Mid-Amateur Championship.
- Points are allocated as per the chart above to players who qualify in the Silver Division (HI 15.3 & Under). Two or more players sharing the same score will have the points for those positions added and then divided by the number of players sharing that position.
- The term 'entries' in the table refers to the number of Mid-Amateur participants who participate in the first round of a counting round.
