Notes on Rankings

1. Points will only be awarded to players who qualify in the Championship Division (Stroke Play) and the SA Amateur Match Play (Championship Trophy).
2. The points run on a rolling year with the previous year shown as history and the current year as played from 01 January to 31 December
3. Rankings are calculated on the Cumulative Total, whilst selection is done on current form
4. Points are allocated as per the chart above. Two or more players sharing the same score will have the points for those positions added and then divided by the number of players sharing that position.
5. Should 2 ranking tournaments clash, WGSA reserves the right to adjust the points allocation for the 2 events
