

GOLFRSA

THE TRANSFORMATION CHARTER

JANUARY 2024 TO DECEMBER 2027

SUPERSEDES – TRANSFORMATION CHARTER 2019

INTRODUCTION

There is widespread and common understanding and agreement by all stakeholders that golf in South Africa must be transformed. GolfRSA is the mandated custodian of the Transformation Charter in South Africa, and thus recognised as the catalyst and driving force to get all stakeholders united in common programs, e.g. capacity building, development, etc. in order to achieve the transformation objectives.

It is envisaged that collective buy-in and alignment of this charter be adopted and embraced by all stakeholders in the golfing fraternity.

All stakeholders must be active participants in the implementation, control and monitoring of the Transformation Charter

TRANSFORMATION PLEDGE

We, the Golfing Community of South Africa, pledge our support to this Transformation Charter and will strive to consciously, through an ongoing and planned process, create conditions and opportunities that will continue to ensure the inclusion of all South Africans in the meaningful participation, both socially and competitively, in the game of golf.

We recognize that great strides have been made in addressing inequality in the golf industry, but inequity still exists for those from disadvantaged backgrounds. To be equal, everyone should get the same opportunities irrespective of their success or failure. To be equitable, everyone should get what they need to be justifiably successful.

EQUALITY VS EQUITY

IN-EQUALITY

“Not all things that are equal, are fair and not all things that are fair, are equal.”

EQUALITY

To be equal, everyone gets the same – irrespective of their success or failure.

EQUITY

To be equitable, everyone gets what they need to be justifiably successful.

Equality is everyone getting a pair of shoes.

Diversity is everyone getting a different type of shoe.

Equity is everyone getting a pair of shoes that fits.

Acceptance is understanding we all wear different kinds of shoes.

Belonging is wearing the shoes you want without fear of judgment.

TRANSFORMATION COMMITMENT

As key stakeholders we pledge to :

- Adopt this charter and its goals as our founding principles in continuing to transform Golf in South Africa.
- Communicate the 5-year targets to our members and partners.
- Monitor the progress of our members in achieving these goals.
- To holistically, including but not limited to the delivery of the sport of golf, use golf to contribute towards attaining social cohesion in South Africa.
- Encourage and lead stakeholders along the transformation and development journey.
- Ensure that Development strategies align with the objectives of this Transformation Charter

THE BACKGROUND

SAGA & WGSA created a formal Transformation Charter in 2009. Many of the targeted deliverables have since been achieved and delivered.

The relevance and applicability of the next updated charter came up for review and a more inclusive two day Transformation and Development Indaba took place in Johannesburg in September 2017.

All stakeholders provided input, and from the feedback received, tasked GolfRSA to develop action plans for the next five years.

GolfRSA is now continuing action plans for the next five years (2023-2027)
