REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY FINANCIAL STATEMENTS

To the members of Golf RSA NPC

Opinion

The summary financial statements, which comprise the summary balance sheet as at 31 December 2023, the summary income statement, summary statement of changes in equity and summary cash flow statements for the year then ended, are derived from the audited financial statements of Golf RSA NPC for the year ended 31 December 2023.

In our opinion the accompanying summary financial statements are a fair summary of the audited financial statements, on the basis that the summary financial statements are prepared for publication on the entity website and have enclosed the key information relevant to the user.

Summary financial statements

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards for Small and Medium-Sized Entities. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our report for the year ended 31 December 2023.

Management Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements the basis that the summary financial statements are prepared for publication on the company website and have enclosed the key information relevant to the users.
