* Excludes Flight

Notes on Rankings:

1. All golfers affiliated with GolfRSA will be included on the Player Rankings, but only South African Nationals will be considered for selection to represent South Africa. See GolfRSA's Women's Golf Selection Criteria document.
2. Two or more players sharing the same score will have the ranking points for those positions added and then divided by the number of eligible players sharing that position.
3. The points run on a rolling year, with the previous year shown as history and the current year as played from 1 January to 31 December.
4. If there is a cut, ranking points will only be awarded to players who made the cut.
5. No points will be allocated for Provincial Match Play or any subsidiary events.
